This case is currently set for a Case Management Conference on Wednesday, October 6, 2010. However, the parties have not filed either a stipulation of voluntary dismissal or a Case Management Statement.

If the case has settled, the parties are directed to file a stipulation of voluntary dismissal before October 6, 2010. If immediate filing of a stipulation is not possible, the parties may instead request a continuance of the CMC and indicate in their request when they shall file a stipulation of dismissal. If the case has not settled, the parties are directed to file a joint case management statement, as required by Civil Local Rule 16-9. Any case management statement or request for a continuance must be filed no later than 2 p.m. on October 5, 2010.
